○ Large-scale Exhibition, Reproducing the World's Top Printing Exhibition

作为全球备受瞩目的综合性国际印刷大展，CHINA PRINT 一直受到业内企业的高度关注和踊跃参与。CHINA PRINT 2021 启用了中国国际展览中心（新馆）的 8 个室内展馆，同时搭建了 4 个室外临时展馆，展出面积 16 万平方米，即便如此，仍未能满足部分厂商的参展需求。为了充分满足展商的参展需求，本届 CHINA PRINT 2025 展出总面积预计超过 16 万平方米，将持续稳固全球顶级国际印刷大展地位。

As a comprehensive international printing exhibition held by China, CHINA PRINT has always been paid close attention and participated actively by printing enterprises. In the last session (CHINA PRINT 2021), all 8 in-door exhibition halls were fully occupied, and 4 out-door temporary exhibition halls were built, hence 160,000 square meters total exhibition area. Be that as it may, the feedback shows that there were still a few exhibitors whose demands and desire to expand their exhibition area were not completely satisfied. In order to better meet exhibitors' needs, CHINA PRINT 2025 plans to occupy more than 160,000 square meters as its exhibition area, which will continue to solidify its position as the world's top international printing exhibition.
